Candidate of legal sciences
Associate
Synergy Management System

Assessment of counterparties and their good faith efforts: rules and trends in 2019

Keywords: Good faith; counterparty; on-site tax audit; contract; taxes; fines

The enactment of the article 54.1 of the Russian Federation Tax code marked a step forward in the methodology of on-site audits conducted by Russian tax authorities. Though previously taxpayers stood a good chance of avoiding surcharges when challenging audit results in court, nowadays challenging the decisions of tax authorities seems unfeasible. The key to successful completion of tax audits is proper and thorough preparation for them.

SINITSYN, Sergey Andreevich

Doctor of legal sciences
Leading research associate
The Institute of Legislation and Comparative Law under the Government of the Russian Federation
Department of civil legislation and procedure

Pipeline transport: subject of governmental regulation and special constructions of contracts

Keywords: Transfer pipeline transport; contracts for transport oil by transfer pipeline; legislation on transportation of goods

Nowadays the Russian Civil Code are opaque on the specifics of pipeline transportation. Given that the author suggests it would be sensible to pass special Federal laws on the transportation of particular types of goods (energy resources) by transfer pipeline as well as amend the existing general provisions of the Russian Civil Code on the matter.
